TULIP FIELD AND WELSH ROUTE

Breakfast and departure for the precious Tulip Fields, which dress the landscape in multiple colors. The blue spring sky and the still snow-capped peaks create an ideal backdrop for incredible photos and a unique experience with Ramiro Arzuaga. He will create floral arrangements and centerpieces with the different varieties of colorful tulips in an unparalleled setting. Lunch will be at Nant y Fall Vineyards, a family-run business that has successfully produced high-quality wines, being pioneers in the Trevelin Valley; we will also taste their wines. We will end the tour at Nant Fach Mill, a replica of the old flour mills from the early 20th century, when this valley produced high-quality wheat. We will visit the museum where you can see artifacts that were part of the daily life of the region's early Welsh colonizers.

LOS ALERCES NATIONAL PARK

After breakfast, we set off for Los Alerces National Park. The route begins in Esquel and first visits Villa Futalaufquen, the park's headquarters and interpretation center. From there, we head to Puerto Limonao, 4 km away, for a short 500-meter hike where we'll appreciate the beauty of Hostería Futalaufquen, an iconic Bustillo building from the 1950s. Here, the vehicle awaits us, taking us to the Rock Paintings trail, after a short walk to observe the murals and ascend to a viewpoint of Lake Futalaufquen. Next, we head to Irigoyen Waterfall, where we make a short climb to a selfie spot beneath the waterfall. Our picnic lunch will be at Punta Matos, a stunning spot to enjoy the shores of Lake Futalaufquen. After a short rest, we head to the heart of the National Park, the Arrayanes River Walkway area. After crossing the stream, you'll follow a relatively easy trail that allows you to see a 500-year-old larch tree, glimpse the Menendez River, and finally reach Puerto Chucao, overlooking Lake Menendez, where you can admire the Torrecillas Glacier from the shore. After a refreshing snack, we return to our accommodation.

OCTOBER 29th

Transfer to the Train Station | La Trochita Tour.

LA TROCHITA

The route departs from Esquel to Nahuelpan, covering approximately 18 km. During the summer season, departures are daily; during the rest of the year, there are usually two or three departures per week. The Old Patagonian Express is a true journey through time. Since 1945, this 75-cm-gauge relic, declared a National Historic Monument, has been traveling through Patagonia. The route combines mountain landscapes with the Patagonian steppe, and the destination is Nahuelpan Station, a Mapuche-Tehuelche reservation, where we can visit the Museum of Indigenous Peoples and see handicrafts made by the indigenous population.

Pick up at Esquel station.

FREE LUNCH

In the afternoon, we'll head to @Ladespensa.esquel, where, along with Ramiro, we'll take a tour and see the latest decor trends. We'll set a table, and you'll get the best tips for preparing it for guests at home! An incredible afternoon culminating in a delicious snack.
